

Venom II

Industrial Cleaning Solution

A specially formulated, powdered cleaning solution designed to remove dried inks from varied surfaces on contact in water, glycol, and UV ink applications.

Benefits

Manufactured in the USA	Safe for Operator
Environmentally Safe	No Sara 313 Reporting
Contains Lubricants	Corrosion and Rust Inhibiting
Non-VOC	Safe for Ferrous/Non-Ferrous Surface
Water Soluble	Safe for Ceramic, Rubber Rolls
Contains No Toxins	Rapidly Emulsifies Ink

Application

Dilute 4 oz. powder in 5 gallons of warm or hot water to make a 5 gallon solution. Power may be doubly concentrated for tough cleaning, if necessary. Mix solution until powder is completely dissolved. Soak the surface you are cleaning with the solution and rinse with cold water.

Properties

Physical Form:	Powder
Odor:	Citrus
pH 10% Solution:	11.8-12.3
Color:	Green

Use Safety glasses and gloves at all times during application process!

First Aid

Eyes: Flush with water for at least 15 minutes. Seek immediate medical attention.

Skin: Wash with soap and water. Seek medical attention if irritation persists.

Internal: Drink large amounts of water. DO NOT induce vomiting. Seek immediate medical attention.

Inhalation: Move to fresh air. Give oxygen or artificial respiration, if necessary. Seek medical attention.

Storage and Disposal

Keep container closed when not in use. Rinse container before disposing in a safe manner.
